

DentalPlus⁺

HARDWARE SUPPORT

....avoid undue stress and inconvenience

DentalPlus are proud to be in partnership with Technocure IT Specialists to provide high quality and competitive hardware support.

Encountering hardware problems can result in undue stress and inconvenience. We provide a reliable effective service endeavouring to resolve any issues with minimal disruption with multiple support communication portals.

Our specialist hardware support services include:

- ✓ Network design and installation
- ✓ Network anti- virus protection
- ✓ Remote monitoring and support
- ✓ Ongoing hardware consultation
- ✓ Server management
- ✓ Maintenance contracts
- ✓ Hardware supply
- ✓ Software supply and training
- ✓ Hardware Maintenance

For complete hardware support, we can offer a hardware maintenance contract which includes:

- ✓ Monthly contract tailored to your needs
- ✓ Easy monthly payments
- ✓ Nationwide coverage
- ✓ Unlimited telephone support
- ✓ Unlimited remote support
- ✓ Unlimited instant online support
- ✓ Unlimited parts and labour
- ✓ Unlimited engineer callouts
- ✓ Loan machine

Contracts include parts and labour, unlimited call outs plus trained helpdesk provision.
